ALABASTINE  
WALL COATING.

Alabastine makes a wall  
as firm as the wall  
itself. It is suitable for  
interior and exterior use,  
and is also a  
disinfectant and sweet-  
ener.

Alabastine should be  
used on every part of a  
building, from the foundation  
to the roof, outside and in.  
It is used under  
paint, varnish and paper, but makes a  
beautiful alone for walls.

**MANHOOD DOES SOLVE THE PROBLEM.**  
In the past, Diamond Dyes have saved hundreds of thousands of dollars to the men and their families in this country. Diamond Dyes are money savers in every home, for by their aid, faded and out-of-date clothing can be made to look as fresh and stylish as new goods.

Diamond Dyes are the only original and on'y reliable package dyes, and have saved an equal. They are true friends where money is scarce, and will save the vexatious problem of how to make small incomes cover increasing family demands. Avoid imitations and worthless dyes; see that your dealer supplies you with the "Diamond."

Write for book of directions and color card; sent post free to any address by Wells & Richardson Co., Montreal, P. Q.

**Costly Covers.**  
The most satisfactory cover covers for all kinds of books is the one made of cloth. They are not only durable, giving them a long life, but they are also cheap. They are not only durable, giving them a long life, but they are also cheap.

**Storing the Store.**  
A store that has been neglected will often be found to be a blacking when it is first used. A good plan is to first rub it with oil over with an old rag or piece of cloth. This will help to bring out the shine. It will then be found very much easier to apply the blacking. This is a much better effect if mixed with turpentine instead of with water.
